

Conference Communicator

Connective Mobile is a leading provider of mobile marketing solutions delivering Text Messages (SMS) and Voice Broadcasts to targeted audiences. We provide consumer oriented turn key mobile solutions and provide customized services to meet all of the mobile marketing needs of our clients.

PROVIDE PARTICIPANTS
THE INFORMATION THAT
THEY NEED AND WANT!

How It Works:

Attendees sign up for your text club by texting your keyword to 71813 or online at your website. You can send informational/promotional messages to those who have opted in simply by logging on to our website.

Key Features:

- You can enter texts at your convenience to be delivered at a specific time that you choose.
- Advanced on-line reporting
- Manage your text promotions through our on-line web portal. No special software or technology is needed.

Benefits:

- Text messages are easily stored and accessible until your attendees delete them.
- Text messages promptly provide attendees information on last minute changes.
- Text messaging provides a quantifiable ROI.
- Text messaging creates a more personal interaction with your attendees.
- Text messaging provides strong viral reach.

Try it out!
